Dear Brother Morris:

At the opening of the Conference please convey my love and very best wishes to all the brethren and my sincere regrets at not being able to attend this session, as it will be my first one to miss during the past twenty-seven years. Call attention to the fact that Brother J. E. REPORT OF LEGAL BOARD

Legal Conference met at Gadsden at 7:00 P. M., November 9, J. D. Moore, Treasurer, submitted his report and it was received.

To the Trustees of the Legal Conference of the North Alabama Conference.

Dear Brethren:

Herewith I hand you my annual report as Treasurer.

Since making my last report one year ago there has been no change in our assets or investments. We have Six Thousand Dollars in 5% Bonds of the Pratt Consolidated Coal Company, on which the interest is paid semi-annually, yielding an income of Three Hundred Dollars.

We also have invested Seventeen Hundred Dollars in the preferred stock

of the Moore-Handley Hardware Company, paying a rate of 7% on which the dividends are paid quartely.

This constitutes our total assets.

Herewith I hand you my check for Four Hundred and Fifteen Dollars, payable to the Joint Board of Finance to go into the Conference fund for Conference Claimants.

Respectfully submitted,

J. D. MOORE,
Treasurer, Legal Conference.

REPORT OF AGENT OF SUPERANNUATE HOMES.

Birmingham, November 18, 1920.

To the Bishop and Members of the North Alabama Conference.

Dear Brethren:

In this the Semi-Centennial year of our great Conference, we feel profoundly thankful to God for the success that has attended our efforts in providing homes for the superannuated preachers, and widows and orphans of deceased preachers. While other departments of our church have made rapid and marvelous advancement, we feel that no interest is more sacred, or dearer to the heart of our good people than taking care of the old preachers, who have borne the burden and heat of the day, and by sacrifice and ceaseless toil, (poor pay), have made possible the splendid achievement of our Conference. We rejoice in the fact that this, the latest, tenderest, and one of the most important movements of our Conference continues to grow in popularity with our people. We believe that good layman, John E. Morris (deceased) must have been Divinely chosen when he inaugurated this splendid and immediate form of endowment, that provides comfortable homes for the weary itinerant preachers when their life's work is ended in the itineracy, and they linger among the shadows of lifes' setting sun.

We are glad to note that our General Conference which met in Birmingham, May, 1906, placed its seal of approval upon this great interest of the church by recommending that this, or a similar plan, be adopted by all our conferences to provide homes for the Conference claimants. It is gratifying to know that quite a number of other conferences have adopted largely the plan of the North Alabama Conference in providing homes for their claimants. We confidently believe that the Superannuate Home movement, in connection with the General Endowment Fund will in a few years make a comfortable provision for all the claimants of our great church.

Your agent has been very greatly encouraged by the liberal response of the people this year.

Mr. Z. H. Clardy, and wife, Louiza Clardy, have donated a Superannuate Home at Talladega in Talladega District. It is a neat cottage on a commodious lot, and will prove a blessing to our great cause. It will be known as the Clardy and wife Superannuate Home.

Miss Mary B. Palmer (deceased), Tuscumbia, Alabama, devised by will a Home, located at that place, which will pass into the hands of our trustees this year. It is a nice comfortable cottage, located at Tuscumbia, in the Florence district, and will be known as the Mary B. Palmer Superannuate Home. We greatly appreciate the above donations.

The Executive Committee has recently purchased a splendid Home at West End, in the Birmingham district. It is a neat, comfortable home and will be known as the Eliza Cathron Andrews Memorial Superannuate Home, in honor of Sister Andrews, who went to Heaven several years ago. Rev. John B. Andrews, a gifted son, and one of our general evangelists, has made a liberal donation for that purpose. The Home will be occupied by Rev. L. F. Parrish, who has broken down in health. He transferred West last year hoping to recuperate; but has recently returned to his home conference for our protection and care.

We are glad to note that the Epworth League of our conference, a body

of energetic and consecrated young life, is proposing to make annual offering for our great cause. I am authorized to announce their pledge of a thousand dollars, possibly more, for this year. We believe the League will soon prove a power in their assistance to provide Superannuate Homes.

We respectfully request all the Sunday Schools of our Conference to make an annual offering one Sunday in the year for this cause. We would suggest that as far as practicable "Mothers Day" be designated as the special Sunday for the Sunday Schools to make voluntary offerings for this purpose.

Mrs. Laura E. Timmons has spent about \$85.00 in repairs on the Sunshine Home, occupied by her at Gadsden. Mrs. L. F. Whitten reports \$250.00 spent in improvements on the Dr. L. F. Whitten Memorial Home, occupied by her at Avondale, Birmingham District. Rev. W. T. Daniel reports \$136.00 repairs made by him on the Dr. S. J. Gay Home at Lineville. Rev. J. W. Syler reports \$60.00 on the Home at Gurley, in the Huntsville District. The Executive Committee has made substantial repairs on our Home at Albertville in the Albertville District, to the amount of \$308.85. We are indebted to Brother W. B. Hope, the Presiding Elder, and Rev. J. I. Williams, P. C., for their special assistance.

The Executive Committee have arranged for Mrs. J. C. Savage to occupy the Springfield and Littleton Home at Guin in the Jasper District. By arrangement of the Executive Committee, Mrs. T. B. Middlebrooks will occupy the Lila Kathryn Brown Home at Ragland, in the Gadsden District. Also Mrs. J. T. Wilkins will share the Sunshine Home with Mrs. L. E. Timmons, at Gadsden, in the Gadsden District.

We have 84 conference claimants on our roll and this great movement, at different times, has provided for 48 families. We have 39 Homes, all kept insured and the premiums paid to date. Also 149 acres of woodland near Hamilton, Haleyville District. Our cash receipts aggregate \$8,744.08. The Executive Committee thinks a conservative approximate value of our Homes is \$125,000.00. We hold note for Melinda Rowe and Martha Rowe Watkins, Superannuate Homes Endowment Fund, \$1,000.00. The above note is in good hands, and bears 8% interest. We have also one 4th Liberty Loan Government Bond, \$500.00, donated by Hon. N. M. Rowe, for the above specified fund.

The approximate value of Homes pledged is \$2,000.00. There have been no recent developments in the very valuable estate of the late Mrs. Virginia Higgins, devised by will, located at Oxford, Ala., in the Talladega District.

Rev. M. E. Butt, D. D., Mrs. C. C. O'Neal, and Mrs. J. C. Prince have been called by our Heavenly Father to that "City which hath foundation, whose builder and maker is God."

The Executive Committee and entire Board of Trustees have co-operated in every way with your agent, which is highly appreciated.

We ask special interest in the prayers of the Conference for this worthy cause.

Respectfully submitted,

J. W. NORTON,
Agent.

REPORT OF SUNDAY SCHOOL BOARD OF NORTH ALABAMA CONFERENCE.

The General Work.

We are pleased to note that the 1920 report of our General Sunday School Board shows that in the circulation of literature and in all that makes for efficiency in Sunday School work, there were substantial gains last year. We have at Nashville, as leaders in Sunday School work, men and women who are competent to build a great program for the Church. We are fortunate in that we have a Sunday school literature that in its general excellence is not outranked by any in our country. Dr. Chappell and his associates are

doing a splendid work, and we commend to our people the Sunday school literature of their own Church.

Some features of the general Sunday school work to which we would call the attention of our pastors and Sunday school leaders of the laity are: The Teacher-Training program of the Church; the new emphasis on Wesley Bible Classes; the Circuit Sunday school work; Missionary Education in the Sunday School; the Sunday School Building at Junaluska. All of these are constructive features of the work, and they should have the support of our people.

Our Conference Work.

Our Conference Sunday School Field Secretary and his associates have carried forward the work in the Conference along lines suggested in the report of last year. These were: Emphasis on the Church-Wide Revival and the part of the Sunday school in that great work, the Centenary in the Sunday school, thus building a Church missionary in its spirit and ideals; Teacher-Training work to be carried forward by the holding of Standard Training Schools, the Six-Day Training Schools for charges and Churches, and the organization of Teacher-Training classes in local schools; the effort to bring a far larger number of our schools to the Standard of Efficiency of the Church; the observance of Sunday School Day..

In view of certain complications it was not possible this year to hold a Standard Training School at one of the Conference centers. We are pleased to report, however, that such a school is now being conducted in Birmingham under the direction of Professors Cooper and Hawkins, of the Birmingham-Southern College faculty. Our Conference field workers have given their hearty support to this enterprise and we commend it to our pastors and Sunday school workers of Birmingham and vicinity. A good number of Six-Day Training Schools have been held throughout the Conference and this work we believe should be carried on, and that on a larger scale, the coming year. We must give ourselves to this big task of training teachers or the Church surrender its right to do the work of religious education. This right we will not surrender.

Many of our schools co-operated in the plans for the Church-Wide Revival, and, almost without exception, these reported gratifying results. Our Sunday schools must be evangelistic in spirit and in their ideals and we would urge that in all of them the coming year there be given even greater emphasis to Evangelism in the Sunday school.

We have made a good record in the Centenary in the Sunday School, the report of October first showing that we held second place among the Conferences of the Church in amount paid by Sunday schools to the Centenary. Let us hold that place the coming year.

Sunday School Day.

Our Conference has made a better record this year than in the past in the matter of Sunday School Day observance, but is yet far below the standard of other strong Conferences of the Church. This is the only direct offering a Methodist Sunday school makes to Methodist Sunday school work, and yet the total offering of our schools this year is below three cents per member. This places too low an estimate upon the work of our own Church. In addition, the law of the Church makes it the duty of every school to observe the day and to make its offering. Let us keep the law.

Recommendations For the New Conference Year.

We recommend that for the new year our Conference and the schools of the Conference give their continued loyal support, and that with greater earnestness, to the Sunday school program of our Church. This will mean a working organization in each District; emphasis on Evangelism, Missionary Education, Teacher-Training, Wesley Bible Classes, the Elementary Department Work, the Circuit Sunday School Program, the Standard of Efficiency

for the local school. To the Conference Field Secretary and other field workers we pledge our support in all this work.

We commend the Sunday School Bulletin and recommend that all the pastors give it a wide circulation in their Sunday Schools.

It is with regret that we accept the resignation of Dr. J. S. Chadwick as Field Secretary. His work has been constructive, he having laid the foundation for a structure that shall tell in the future work of religious education throughout our Conference.

We heartily commend the work of Associate Field Secretary, Rev. W. M. McDonald and recommend that Bishop Cannon appoint him as Conference Field Secretary.

Mrs. M. M. Hughes has given great impetus to Elementary organization and we recommend that she be retained as Conference Elementary Superintendent. We further recommend that the Executive committee employ an Associate Field Worker, if in their judgment it is necessary.

J. B. WADSWORTH, Chairman.

HENRY M. HURST, Secretary.

REPORT OF EPWORTH LEAGUE BOARD

Your Epworth League Board rejoices in the splendid success of the League work in practically every part of the Conference.

At our last session this Conference granted our request, in putting into the field a Secretary to devote his whole time to the organization, directing and leading the League work. Rev. Wm. Graham Echols was chosen to this office, and the results amply justify the wisdom of your action. Ninety-seven new chapters have been organized, practically all the old chapters have been stimulated to new life and efficiency. The membership has increased seventy-five per cent. this year. Ninety-three young people have pledged themselves to definite life service. All the Districts have been organized and Conferences held in same. The Athens Conference was by far the best ever held. The work of the League of North Alabama has attracted the attention not only of our own Church, but is pronounced by the Editor of the Epworth Herald, published in Chicago, to be ahead of anything in the Northern Church. Your support and encouragement have enabled the Secretary to do a work in this important Department of the Church that has no parallel in League work anywhere.

The headquarters established in Birmingham is so well organized and equipped as to minister most admirably to the needs of all our Leagues in every Department. We could not dispense with this equipment without crippling beyond repair our whole League Program.

We wish to express our appreciation for the patience, and for the hearty co-operation given us by the Presiding Elders, Pastors and Laymen which have enabled our representative to perfect an organization in such short time that shall increasingly minister to our Young People in their efforts. We feel that already the project has so gloriously succeeded as to justify appeal for the most active support of all our leaders, Churches, and people, that the League may be given the opportunity to show its great worth in linking our Young People on to the program of the Church and training them for real Christian activity.

We heartily endorse the League program for the next year as mapped out by our Secretary and his cabinet.

We recommend the following substitutions on the League Board:

Rev. C. Orear for Rev. J. J. Sandlin.

Rev. H. M. Dobbs for Rev. O. W. Barker.

Rev. S. O. Kimbrough for Rev. W. T. Holdridge.

Rev. H. R. Heflin for Rev. C. H. Lane.

Mrs. Edith H. Meigs for Mr. J. W. Roebuck.

Mrs. D. E. McClendon for Mr. R. L. Lanier.

Mr. C. H. Vann for Mr. W. J. Stacey.

Mr. C. L. Webb for Mr. J. F. Lovin.

Hon. J. F. Koonce for Mr. H. C. Underwood.

Mr. R. S. Rains for Mr. G. S. Smith.

We recommend to the Bishop the reappointment of Wm. G. Echols as Executive Secretary.

R. E. TYLER, President.

FOREST R. MAPES, Secretary.

REPORT OF COMMITTEE ON SABBATH OBSERVANCE.

We, your Committee on Sabbath Observance, respectfully make the following as our report:

Believing that the keeping of the Sabbath as God commands is necessary for the safety, progress and happiness of our people, we heartily deplore the general desecration of our Sabbath day. It is a certain sign of impending destruction.

One of the chief corner stones of our national greatness was the fixed habit of our forefathers to strictly observe the Sabbath. If we depart from that habit curses will overtake us ;yea, are overtaking us. Keeping the Sabbath will help all and hurt none. Money making through Sunday work will curse those who do it, as it has cursed others in all the ages past.

All working men by whomsoever employed, as well as all others should have and keep the Sabbath. Working seven days in the week will destroy the religious life of man or nation. Every man should have Sunday with his home, his wife and children, his Sunday School and church.

For these reasons we urge all members, citizens and public officials to do their best to stop all Sunday labor; all Sunday trains, state and inter-state; to stop all post offices and all mails on Sunday; stop the transportation and publication of Sunday newspapers; to stop all Sunday theaters, picture shows, baseball and like games; to stop all trade and traffic on Sunday, including all gasoline stores, soft drinks and soda water stores and drug stores, excepting always instances of charity and necessity, as taking the ox out of the ditch, and supplying needed medicine and relief to the sick and suffering, overtaken by distress that could not be provided against before Sunday.

We urge the passage by Congress of a National Sunday law for Sabbath observance in the District of Columbia and in all inter-state commerce; and to stop all Sunday mails, post offices, railroad trains, and newspapers; and we endorse for that purpose the law proposed by our sister (Tennessee) Annual Conference through their committee (Noah W. Cooper, W. R. Webb and E. B. Chappell), as it now appears at Page 3377 of the Congressional Record, of February 20, 1920, which law is as follows:

KEEP THE SABBATH! OR LOSE OUR LIBERTIES!

Under resolutions unanimously adopted by the Tennessee Methodist Annual Conference at Nashville, Tennessee, November 3, 1919, a committee composed of Noah W. Cooper, ex-Senator W. R. Webb, and Dr. E. B. Chappell, have prepared and presented to Congress, for enactment into law, the following bill, as appears on page 3377 of the Congressional Record of February 20, 1920. All people are urged to speed its passage by Congress and thus help save our nation from the terrible fate of Sabbath breaking Israel.

BE IT ENACTED BY THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED:

1. Hereafter it shall be unlawful for any person in the employment of the United States to work or carry on his ordinary vocation on Sunday;
2. It shall be unlawful for any person or corporation to operate on Sunday any freight or passenger train, or mail train or any other train, or part

of a train on Sunday in the carrying on of Interstate Commerce, trade or traffic of any kind;

3. It shall be unlawful for any postoffice to be open on Sunday or to deliver mail on Sunday; it shall be unlawful for any mail to be carried or delivered on Sunday by any employee of the United States, whether in city or country;

4. It shall be unlawful for any newspaper or other paper or publication published or purporting to be published on Sunday to be received, carried, or delivered as mail by any agency of the United States, in any postoffice, or over any route under the jurisdiction of the United States;

5. It shall be unlawful for any person or corporation engaged in Interstate commerce or carrying on any business or vocation under the laws of or with the permission or license from the United States, or any of its agencies, to do or carry on any ordinary vocation or business on Sunday; the purpose of this act being to express our national determination to honor the Sabbath day and keep it holy, as God commands; thereby securing for all that opportunity for spiritual and bodily refreshment decreed by our Lord for the happiness of all men and the safety of all nations.

6. Any person who does any of the things above declared unlawful, or who procures or aids another in doing any of the things above declared unlawful, shall be guilty of a misdemeanor, and punished upon conviction, by due process of law, by a fine of not under \$100.00, nor over \$10,000.00 for each offense, and by imprisonment for not over six months, in the discretion of the Court;

7. And any corporation that does or aids in doing these forbidden things shall, upon conviction, be fined not less than \$1,000.00, nor over \$100,000.00 for each offense, and upon conviction a second time for like offense shall forfeit its charter and franchise, and be enjoined from operating in Interstate Commerce. Provided, however, that emergency instances of charity and necessity are not included nor punishable under the provision of this act.

And we favor State laws of like character.

We direct that a committee of three be appointed by our Bishop to co-operate with the said Tennessee Conference committee and others for like purposes, in urging the enactment by Congress and by our State Legislature of these proposed laws; and to do their utmost to build up public sentiment that will require the enactment and enforcement of these proposed laws.

G. M. DAVENPORT, Chairman,
W. M. TREADAWAY, Secretary.

I, W. E. Morris, Secretary of the North Alabama Annual Conference of the M. E. Church, South, hereby certify that the above is a true copy of the resolution adopted by the said Conference, November 15th, 1920.

W. E. MORRIS, Secretary.

REPORT OF COMMITTEE ON TEMPERANCE AND SOCIAL SERVICE.

Since January 16, 1920, there has been no legalized liquor traffic in the United States.

The test of prohibition, even with local unfriendly enforcement officials and an imperfect execution of our prohibition laws has proved to be one of the most humanitarian and uplifting events of the whole Christian Era.

Here is the story as it comes from every nook and corner of the land. Greatly reduced drunkenness. General crime lessened by nearly fifty per cent. A minimum of court cases. Jails and penitentiaries with fewer inmates. Less poverty. Greatly increased bank deposits. Merchants everywhere delighted with the payments of old accounts, many of which they had considered lost. Happier homes, families better fed, clothed and housed. It is not straining our credulity to say that the transformation which has taken place is like unto a miracle of God. But the enemy has not accepted his

defeat, or admitted it. The organized brewing interests of America are still financing and carrying on an aggressive fight for beer and light wines, which, if permitted, would mean the nullification of the 18th amendment and in just a few years a return to the old conditions we have destroyed.

The greatest danger lies in the election of the Congress in 1922, when under the new decennial census some 40 to 60 new Congressmen will be elected. Almost every one of whom will come from our larger centers of population. The greatest care must be exercised to see that no backward step shall be taken at that time.

We notice with rejoicing and with the fullest sympathy and approval the program of the Anti-Saloon League of Alabama to carry forward an intensive campaign of education and organization in the rural counties of the State. Also to join hands with the Anti-Saloon League of America in its educational efforts in the foreign colonies of our larger cities, and that these same agencies are on guard for the congressional election of 1922.

We also commend the plan to organize a law enforcement department of the Anti-Saloon League of Alabama, under the leadership of a competent Attorney to aid the prohibitionists of Alabama in planning more perfect and thorough campaigns of law enforcement through the constituted authorities.

We learn with great pleasure that efforts will be made to advance the cause of prohibition in Mexico and Cuba and to aid and encourage in every way the movement for prohibition throughout the world.

We commend this progressive program of advancement and this Conference pledges the same sympathy and co-operation we have given this cause from the beginning, and we urge our Pastors and Churches throughout the State to open their pulpits to the representatives of the Anti-Saloon League that they may have the fullest co-operation possible, in the closing years of this warfare against the greatest curse mankind has ever known.

We commend the Woman's Christian Temperance Union for its splendid part in the moral advancement of Alabama and America. These splendid women were the pioneers in this great reform and we cannot forget the fine traits of faith, perseverance and loyalty they have manifested under the most discouraging circumstances. May they have our fullest sympathy and support.

Let none add to the dangers of the present hour by saying the work is ended. This is not true. The fight is on and as Christian Soldiers we must not lay our armor down or cast our weapons aside until the great final victory has been won.

J. A. DUNCAN, Chairman,

WM. H. MANSFIELD, Secretary.

RESOLUTIONS BY NORTH ALABAMA CONFERENCE

Our Church is deeply interested in the welfare of the negro race and has always sought to co-operate with its Christian leaders, both in the evangelization and education of their people. We record with deep gratitude the fact that the Centenary Commission of our Church is developing larger plans through which we hope to assist in the educational program of the Colored Methodist Episcopal Church.

(1) We warmly endorse the program of the Southern Commission on Inter-Racial Co-operation and earnestly recommend that our ministers and our people support and co-operate with the County Inter-Racial Committees throughout the State of Alabama in their efforts to promote the best interest of the negro.

(2) It is our conviction that a better knowledge of the present day negro, his needs, his hopes, and his ambitions, is greatly needed by our people, as only by facing the facts can we meet the needs of this people. The Knights of Columbus are urging the Roman Catholics of the country to raise \$10,000,000 for work among the negroes. Is their obligation greater than ours?

(3) We further recommend that the second Sunday in January, 1921, be observed as the day for the presentation of this work from our pulpits in a message setting forth our Christian obligation and responsibility to the negro race in the South.

(4) We wish to go on record as being unalterably opposed to lynching, but earnest advocates of the speedy enforcement of the law for the punishment of the unspeakable crime for which many have been lynched.

BOARD OF CHURCH EXTENSION—REPORT NO. 1

Dear Brethren: The Journal of 1916 records our assessment of \$16,620 for Church Extension and the Representative Church. This was \$3,600 more than the assessment for 1915 or 1917. On this assessment there was paid \$8,983.21; 54 per cent. This would give \$1,944 for the Representative Church. Of this amount \$152.55 is credited to Sylacauga District, leaving a balance of \$1,791.45 not applied on our pledge. One-half of this amount was sent to the General Board and the other half applied by the Conference in the regular channels.

1st. Your Board would respectfully ask consent of the Conference to instruct it to pay this \$1,791.45 out of the gross collections of this year.

2nd. That the remaining amount, \$1,288.49, be sent to the Commission on Finance for distribution to the various Districts on the Church Extension Assessment.

W. O. HORTON.

REPORT OF CHURCH EXTENSION BOARD—NO. 2

Dear Brethren: We are glad to report that there is progress in our Church Extension work, from year to year.

The appeal for help comes from every corner of the Conference. This is evidence that there are more Churches and Parsonages being built than ever before.

The Kingdom of Our Lord is certainly moving forward notwithstanding the strong opposition of the powers of darkness.

We thank God for His manifest presence in the steady onward march of His mighty forces, for the conquest of the world.

A Methodist Church in a community, with a Methodist preacher, baptized by the Holy Spirit, with the Glorious Gospel of the Son of God is a strong fort in the line of battle that is never captured, and as the Kingdom advances these forts must be builded and well manned. We especially praise God for the increase of liberality of our Methodist people, throughout the bounds of our Church. We have been for years robbing God of His tithe. Let us bring all of our tithes into the store house and prove Him herewith, that He may open the windows of Heaven and pour out a blessing that we shall not have room to contain. The appeals to our Board are heart-rending, as we stand helpless for the want of funds to answer these calls for help. The Lord lead us on to victory.

W. O. HORTON,
President.

BOARD OF EDUCATION

Report No. 1

The General Conference of 1918 having authorized a campaign for Christian Education, and having set apart the last two years of this quadrennium to this especial work; your Board of Education desirous of the fullest and heartiest co-operation with the plans of the General Board of Education, and anxious that the North Alabama Conference shall do something worthy of herself and her educational institutions, have adopted the following measures, for which it asks the ratification of the Conference.

First we create a commission composed of the following: J. D. Simpson, Robt. Echols, Geo. W. Read, W. T. Sanders, J. H. Wilson, R. S. Munger, F. M. Jackson and the Secretary of Education, ex-officio, whose duty will be to co-operate with the Connectional Commission in conducting the Campaign in our Conference.

(2) We ask every Pastor to present this movement, if possible, before the Christmas Holidays, in order to prepare the way for the inspirational and educational work, which is to begin not later than January 1, 1921.

(3) We accept the approved askings which are as follows:

Connectional Interests	\$292,000
Athens College	250,000

(4) That the Conference Commission above provided for, be authorized to apportion the quota assigned to the Conference to the various Districts.

GEO. W. READ, Secretary.

BOARD OF EDUCATION**Report No. 2**

Your Board is happy to announce that all the Schools of the Conference are filled to their utmost capacity. We are hopeful that the Educational Movement so enthusiastically endorsed by the Conference will put it in the power of our Colleges to meet the needs of our people, for Christian Education. Without waiting for this, however, there have been substantial physical improvements made by them all.

Emory University is growing in favor, with those capable of and desirous of the advantages of University training, and Flat Rock High School is ministering to the needs of those who are just beginning their Scholastic work. Both these Institutions are doing great work in their spheres. We recommend the latter to the General Board of Education for assistance.

We have a small loan fund administered by capable trustees which enables a few students to attend Birmingham-Southern College, who otherwise would find it difficult to secure a College Education. We commend this Fund to the consideration of our people.

We recommend that our members of the Joint Commission created to consolidate The Birmingham College and The Southern University be continued until all the conditions of that consolidation be met.

We recommend the election of the following Trustees:

Birmingham-Southern College

For Three Years.—L. C. Branscomb, R. S. Munger, E. M. Glenn, E. M. Elliott.

For Two Years.—A. M. Freeman, Hugh A. Lock, Robt. Echols, W. P. Acker.

For One Year.—Frank W. Brandon, W. H. Stockham, W. E. Morris, J. L. Gunter.

Athens College

H. B. Malone, E. B. Norton, W. H. Stockham, E. J. Garrison, S. T. Slaton.

Woman's College

L. C. Branscomb, J. H. Wilson.

We recommend the appointment of W. F. Melton and H. C. Howard, Professors in Emory University. B. B. Glasgow, President Athens College. C. A. Bowen, Professor in Woman's College. R. M. Hawkins, Professor in Birmingham-Southern College. J. S. Chadwick, Publicity Secretary Educational Movement. L. G. Alverson, Principal Flat Rock High School. W. W. Rutland, Professor Flat Rock High School. S. A. Swindell, Student Emory University. T. L. Hill, Student in Emory University. H. C. Brown, Student Emory University. J. A. J. Brock, Field Secretary Educational Movement.

L. C. Branscomb, Conference Secretary of Education.

BOARD OF MISSIONS

Report No. 2

Your Board of Missions has heard with interest President D. E. Camak, of the Textile Industrial Institute of Spartanburg, S. C., in reference to the plan of co-operation of certain Conferences as suggested by the General Board of Missions.

This Institute has as its object the work of religious, educational and industrial training of the cotton mill communities within the bounds of Co-operating Conferences.

Plan of Co-operation Between Certain Annual Conferences and the Textile Industrial Institute

"1. For the present, no change shall be made in the title and ownership. If the co-operating Conferences should desire part proprietorship, this may be determined later.

"2. The Institute is proffered for the joint use of said Conferences in training young men and women for social, educational and religious work specifically in mill communities.

"3. The co-operating Conferences shall elect, through their respective Boards of Missions, one Associate Trustee of the Textile Industrial Institute Board for the direction of the Institute.

"4. It is understood that each co-operating Conference will contribute financial support to the Institute in such manner and amount as each Conference may determine."

Your Board of Missions recommends this plan of co-operation between certain Annual Conferences and the Textile Industrial Institute, and nominate Rev. K. N. Matthews to represent our Conference as Associate Trustee.

JAS. D. HUNTER, Secretary.

BOARD OF MISSIONS

Report No. 3

We are face to face with extraordinary conditions. These conditions are such as to call forth our undivided endeavor. We are facing a new church and a new world. The Church has been shocked out of its traditional routine and has been lifted to a higher vision and a more daring conception of its mission and responsibility. It would be hardly less than criminal to ignore these facts and squander our opportunity.

Reports of Centenary collection according to the Conference Treasurer's books at the close of business Nov. 6th, showed that \$296,570 had been paid on individual pledges, this being 22 per cent of the total pledges for five years. It is of the utmost importance that these pledges be paid promptly and fully. We therefore call upon Presiding Elders, Pastors, Centenary Treasurer's and all our people to come forward with a determination to bring up a clean record.

We recommend that a week be set apart early—the next Conference Year, to be known as "Centenary Clean-up Week," before or during which every church shall be expected to pay at least 40 per cent of the pledges, the date to be announced later after consultation with the Presiding Elders.

Your Board has adopted a definite policy calculated to bring the Mission charges to the point of self support and a higher efficiency. Two years ago

the Board made appropriations to the amount of \$9,975. During the past year our appropriations reached the amount of \$22,035 and your Board has proposed appropriations for this year amounting to more than \$27,000.

A successful Preacher's Institute was held June 23rd-July 1st at Birmingham-Southern College, and it is the purpose of the Board of Missions to hold another Institute next year, in co-operation with the other Boards. A committee has been appointed and announcement will be made through the columns of the Alabama Christian Advocate.

The beginning of work among the Italians by a regularly employed Italian preacher marks one of the important enterprises of this year. It is estimated that there are 3,000 Italians living in one community at Ensley, and 7,000 living in Jefferson County—an open, inviting field for the preaching of the Gospel by a regenerated Protestant preacher. It is now proposed to build a neat chapel there for our work. We have reason to feel hopeful over the outlook and our Board should continue its support of this work.

JAS. D. HUNTER, Secretary.

AUDITING COMMITTEE OF BOARD OF MISSIONS.

We the Auditing Committee of the Board of Missions have examined the books of F. K. Gamble as Treasurer of the Conference Centenary Commission and as Conference Missionary Secretary and find them correct, with a balance on hand on Nov. 6th, 1920 of \$324.40.

For the Committee,

A. J. NOTESTINE.

REPORT No. 2 OF BOARD OF LAY ACTIVITIES

Brethren of the North Alabama Conference:

We, the following Laymen of the Conference, believing in the Church militant and believing that the only way to make progress is to go forward and believing that the following causes are worthy and need the funds, we recommend that the Conference adopt the following Conference Assessments:

Christian Literature	\$ 6,000.00
Epworth Leagues	4,000.00
Lay Activities	5,000.00
Sunday Schools	10,000.00

(Signed) H. H. Ament, T. L. Baker, W. W. Brandon, L. A. Crumley, W. M. Hagood, Paul S. Haley, E. W. King, E. C. Lackey, E. P. Lakeman, E. E. Major, Conrad H. Ohme, J. A. Rice, Wm. H. Stockham, J. A. Vann, J. B. Wadsworth, J. F. Wilson, F. B. Yielding.

REPORT No. 3 OF BOARD OF LAY ACTIVITIES

We favor an adequate salary for all pastors who give themselves wholly to pastoral work. We recommend that Godly Laymen, qualified for the work, be used regularly to conduct services in Circuit Churches when pastors are absent, such speakers to be appointed with the approval of their pastors and Presiding Elders.

We recommend that the men of every congregation be organized for Christian fellowship and religious work.

We urge that all laymen, both men and women, co-operate with those responsible for the collection of Centenary pledges, and that we set as our goal the collection of at least forty per cent. of each pledge by December 31, 1920.

We emphasize the importance of organizing Lay Activity Boards in every church of this Conference in compliance with the resolution of the 1919 Conference, it having proved very successful where ever adopted.

We desire to place in nomination for Conference Lay Leader. W. M. Hagood, of Oneonta, in the Albertville District.

CONRAD H. OHME, Acting Chairman.
E. P. LAKEMAN, Secretary.

REPORT OF BOARD OF CHRISTIAN LITERATURE

We, the Board of Christian Literature, beg leave to submit the following report: In view of the fact that more literature is being put in the hands of the reading public at present than any time in the century, and in view of the fact that the modern cults and religions are circulating extensively their literature among all people, the time has come when sound Christian literature must be placed in the hands of all our people and the unchurched as well, hence we wish to recommend that the agents of the publishing house place on sale at Epworth League Headquarters in Birmingham such books and periodicals as will be of educative value and helpfulness to this people.

We regret that the Methodist Review, Christian Advocate and Epworth Era have been published at a loss, but are glad to note, however, that the publishing interests, as a whole, were not operated at a loss. The periodicals above referred to, including the Missionary Voice, is to be commended for their mechanical, literary and spiritual value. These periodicals are excelled by none. We most earnestly urge that our pastors and laymen exert themselves to give these periodicals the widest possible circulation. Our Sunday School literature takes foremost place of its kind in America and deserves first place in all our Sunday Schools.

It is a matter of profound gratitude that our Conference organ, the Alabama Christian Advocate, reached a subscription list of 25,000 this year. We desire now to fix another goal, that of 30,000, and call upon the Methodists of North Alabama to help us realize this goal. We recommend that as far as possible that the official board of each charge place in their budget a fund sufficient to put the Alabama Advocate into every home. The educative value of the Alabama Christian Advocate will prove this a good investment.

The work of the Editor and Business Manager, Dr. L. C. Branscombe, is most heartily commended and we recommend that the Bishop appoint him to the same work for another year.

Out of the funds assessed for Christian Literature we appropriate an amount equal to one per cent of that paid for the support of the ministry to the support of the Alabama Christian Advocate.

Respectfully submitted,

W. P. McGLAWN, Chairman.

N. H. ABERNETHY, Secretary.

REPORT OF ORPHANAGE COMMITTEE

The Alabama Methodist Orphanage has had in many respects the best year in its history. The laundry, under construction a year ago, is finished, and in operation and is a great convenience.

Rev. J. C. Craig, after eight years of splendid service, resigned during the late summer as Superintendent, and Rev. J. E. Northcutt, of the Alabama Conference, was elected as Superintendent to hold office until the session

of the Alabama Conference. At a special meeting of the Board of Directors held in Birmingham on November 5th, Rev. H. T. Strout was elected as Superintendent for the coming year. At the annual meeting of the Board, J. H. Wilson was elected president; J. M. Donnelly, secretary; B. F. Cooper, treasurer. The term of office as director of J. H. Wilson expires at the Conference and his election for a period of five years is asked. The directors being then as follows—for the North Alabama Conference: L. C. Branscomb, 1921; S. L. Dobbs, 1922; M. P. Phillips, 1923; C. W. Seale, 1924; J. H. Wilson, 1925.

We desire to record our appreciation of the monumental work for the institution and the splendid service rendered the church by Rev. J. C. Craig and his excellent wife during their administration as Superintendent and Matron. The institution is entirely out of debt, much added to our holdings there, including additional real estate and a modern laundry and the Orphanage is one of the best institutions of its kind in the country. Plans are being considered for other buildings when the funds are in hand.

J. H. WILSON, President.

Respectfully submitted,

I. H. HORTON, President.

FOREST R. MAPES, Secretary.

REPORT OF COMMITTEE ON HISTORIAL SOCIETY

In view of the difficulties in the way of the organization at this time of a Conference Historical Society,, we recommend that a Quadrennial Commission on Archives and History be created, consisting of seven members to be appointed by the Bishop. This commission is empowered to draft a Constitution and By-Laws to submit to the Conference at its next session.

REPORT OF THE AMERICAN BIBLE SOCIETY BOARD

For two years the members of this Board have received no communication from the American Bible Society. This being true we have no recent data on its work, but its work in a general way is well known to our people. It has done more than any other single institution to distribute the Holy Scriptures and other Christian literature, both in our own country and in all mission fields, without regard to sect or denomination. During the world's greatest war it distributed millions of copies of the New Testament among our boys, both in the training camps and along the firing line.

We most heartily commend the action of our Conference for putting in its annual budget an appropriation for the work of this great institution. This, however, does not relieve our pastors of the responsibility of keeping the work of this institution before our people by giving to them from time to time such information as may be furnished us.

Respectfully submitted,

GEORGE C. DOBBS, Chairman.

W. R. BEAL, Secretary.

REPORT OF COMMITTEE ON RESOLUTIONS**THE CANNON FAMILY**

Your Committee on Resolutions take pleasure in endorsing and presenting the following resolution drawn by Bros. J. S. Robertson, W. G. Henry and S. T. Slaton:

"We, the members of the North Alabama Conference, have learned with much pleasure that Bishop James Cannon, Jr., and his estimable family are to live in Birmingham;

Therefore, Be it Resolved, That we give them a cordial welcome to our midst, and assure them of our affectionate esteem, and pledge to him our loyal co-operation in the common tasks of the church."

THE HICKS FAMILY

The gracious benefaction to our Conference claimants, so happily begun by our esteemed Brother, the late J. H. Hicks, of Talladega, is continued by his family. This fine contribution brings appreciable and timely increase to the apportionment for our beloved claimants. To these excellent people, continuing this contribution, we express cordial thanks for their substantial assistance; and pray that God may give them all spiritual blessings with such continued material prosperity as they be able to bear.

THANKS

Our entertainment at Gadsden has been all that could have been desired. Our comfort and convenience have been provided for with an anticipation and amplitude that have filled us with gladness all through our stay in this fine community, and that we will cherish with most pleasing remembrance.

Dr. Dobbs, the Presiding Elder, Dr. Brandon, the pastor, and the committees have served us with gracious accommodation: Judge J. W. Penn, General Chairman of the Entertainment Committee; Capt. W. E. Wier, Chairman of the Housing Committee; Mr. C. S. Ward, Chairman of the Meals Committee; Mr. C. P. Butcher, Chairman of the Transportation Committee; Mr. C. E. Williams, Scout Master, and his Assistant, Mr. Fernwood Mitchell: These we name; to them, and through them to their several associates, we express recognition of very fine service rendered and our high appreciation thereof.

To the members of this church, and to their brethren of other churches, and to the good citizens of this good city contributing to our very delightful entertainment, we express cordial thanks with large and abiding appreciation. Upon them all, in every relation of life, we pray the abundant blessings of the gracious Father of us all.

Memoirs

REV. ZACCHEUS ASBURY DOWLING

Was born near Clayton, Barbour County, Ala., Oct. 1, 1849, and passed to the other world Aug. 28, 1920.

The end came suddenly. He had not been sick—was apparently in accustomed health. He had gone to spend the night on Shades Mountain, near Oxmoor, some ten miles from Birmingham; retired for the night in cheerful frame of mind; awoke about 4 o'clock on the morning of August 28, and after brief conversation and without suggestion of sickness or sign of suffering he was gone.

During the week, he had been engaged in protracted meeting services at his church, St. Paul, Birmingham: and almost literally, he ceased at once to work and live. Perhaps 'tis better so. No trying superannuation, no dread of dropping from the ranks of active service for the hard lines of inactive and weary waiting—no wasting sickness, no protracted suffering: he fell with the harness on; from the active task of the toiler he went to the reward and rest of the redeemed.

His parents were Hansford Dowling and Martha Weaver Dowling. The father was from South Carolina; the mother, from Georgia—a brother of his mother, Rev. Sheldon Weaver, was an honored member of South Georgia Conference. The blood of Erin ancestors was in his veins, sturdy Irish stock in his inheritance—thoroughly Americanized, with Wesleyan Methodist warp and woof in every fiber of his being. He grew up in the country, on the farm; and the beauty of the woods and the fragrance of the fields ever held for him attraction and charm.

He was well born and well bred: a gentleman by inheritance, and a Christian gentleman by choice, by the election of grace, and by constant practice. In the schools of the neighborhood was laid the basis for the liberal culture which was his, with broadening and finishing afforded at Southern University and Vanderbilt. He was well educated, scholarly, intelligent, of wide general reading, abreast of the times in current literature, level-headed, a good gospel preacher, faithful as a pastor as in every other relation, modest, chaste, true, industrious, frugal, temperate, patient—a good man in all life's relations. No striver for place, literally in honor preferring his brethren. Such was Brother Z. A. Dowling—a man whose sort in liberal multiplication would grace and bless any generation.

From school boy he became school man, giving fourteen effective years to successful and honorable teaching. In 1886, at Eufaula, he was given license to preach, Dr. H. Urquhart being his presiding elder. In the fall of that same year, he entered the North Alabama Conference with assignment to Town Creek. At the Conference session at Anniston, fall of 1888, he was by Bishop R. K. Hargrove ordained a deacon; and in 1890, at Birmingham, by Bishop J. C. Grandery he was ordained an elder.

His pastoral charges: Town Creek, 1887-8, 2 years; Hartselle, 1889; Calera, 1890-2, three years; Oakbowery, 1893-6, four years; Elyton, 1897-8, two years; Jasper, 1899-1900, two years; Lineville, 1901; West End, 1902-5, four years; Russellville, 1906-7, two years; Montevallo, 1908-10, three years; Cullman, 1911; Sheffield, 1912-13, two years; Bethlehem-Central Park, 1914; Shady Side-Ensley, 1915-16, two years; Boyles, 1917; St. Paul, Birmingham, 1918-20, three years: a total of thirty-four unbroken years. He did his share of hard work, as a Methodist preacher—did constructive work, and did it well. His spirit was distinctly evangelistic and pastoral; his ministry was faithful, efficient, fruitful. In the best sense, he was a builder of the church. He loved his friends fervently, cherished their affection cordially, and delighted in the communion of saints.

He had more sense than many of us who apparently have occupied higher place, and was perhaps a better preacher. The art of pushing and pulling for place, he never acquired: hence has less to answer for and repent of.

In February, 1880, he was united in marriage with Miss Addie Glenn, of

Glennville, Ala.; and she has shared faithfully the itinerant allotment through these thirty-four years. She survives him, together with one son, Prof. Herndon Glenn Dowling, and four daughters: Mrs. E. B. Heiser, Misses Lillie, Claude and Mabel. Miss Licile, a fine young woman, preceded her father to the other world by nearly two years.

The funeral services were held at Mt. Vernon Church, Birmingham, on Sunday afternoon, Aug. 29, last; Brother J. C. Persinger and Dr. J. D. Simpson read the appointed Scriptures; E. M. Glenn, Rev. J. L. Brittain and Dr. Simpson made appropriate remarks; Dr. J. T. Morris led in prayer; the choir sang proper hymns. The Mt. Vernon Church people did every desired delicate and timely service possible in respect for the dead preacher and in sympathy for the bereaved family. The pall bearers were brother pastors: Revs. W. E. Aldridge, W. F. Price, J. E. Morris, M. R. Heflin, S. O. Kimbrough and D. K. Pegues. The large congregation present, lay and cleric, gathered from every section of the city, bore fitting testimony to the high esteem in which Broher Dowling was held.

The mortal remains were laid to rest in beautiful Elmwood Cemetery, there to sleep till the day of consummation, when the trump of God shall sound the resurrection dawn. Servant of God, well done.

E. M. GLENN.

REV. SINGLETON T. WOODARD.

Son of S. T. and Sallie Singleton Woodard, was born at Jackson, Clark County, Ala., October 15, 1879. His early educational advantages were such as were afforded in the town of his nativity, and also in Texas, to which state he went. He joined the church in his boyhood at Jackson, Ala. He was licensed to preach at Tyler, Texas, somewhere about 1903. November 23, 1910, he was married to Miss Sallie Pugh, at Grov Hill, Ala. His wife and a little girl survive him.

At Huntsville, December 3, 1910, he was admitted on trial into the North Alabama Conference, being recommended by Mobile District Conference of the Alabama Conference. He was sent to Hackleburg, continuing there for the two years, 1911, 1912. During these two years, he received into the church 47 on profession. At the end of 1912, he was transferred to South Georgia Conference, and served Riddlesville charge. At the end of 1913, he was at Anniston, transferred back to North Alabama Conference, and sent to Hamilton, serving there during 1914, and going at the end of that year to Hackleburg Station for 1915. At the end of 1915, he was discontinued at his own request. During the years 1916-19, it is apparent that he did some pastoral work at Thomaston, Texas. At the session of this Conference, 1919, he was admitted on trial and sent to Cochran-Dansey charge. He died in a Birmingham hospital, September 15, 1920.

Brother Woodard was represented as a man of good mind, good preaching ability, with qualities that fitted him for successful approach into the life of men; he was evangelistic in spirit and method. He is called hence before securing admission into full connection with the Conference.

E. M. GLENN.

REV. MOSES EDWARD BUTT, D. D.

Son of Moses and Priscilla Banks Butt, was born in Columbus, Ga., October 31, 1835, and died at Childersburg, Ala., February 15, 1920.

Reared in a Christian home and surrounded by good influences, he gave his heart to God in early life and joined the Methodist Episcopal Church, South. He was Divinely called to preach, and was given license at Hardaway Church, Enon Circuit, in 1856, Stephen F. Pilley, Presiding Elder; John W. Rush, pastor; James W. Glenn, junior preacher; Robert Haynes, secretary of the quarterly conference. He joined the Alabama Conference the same year.

He was first married to Miss Henrietta Allen, who did not live many -

years. His second marriage was to Miss Jerusha Ready, of Tuscaloosa, October 15, 1863. She died September 17, 1898, leaving two daughters, Mrs. Everett Aycock, of Little Rock, Ark., and Mrs. W. B. Tate, of Childersburg, Ala. There were two children by the first marriage, Johnie who married a Mr. George, and Edward M. Butt, both are dead.

We find that Dr. Butt was a member of the Mobile Conference in 1866, having finished the conference courses, and was at that time an Elder. He served the following charges: 1867-8, Bay Shore, in Mobile District; 1869, Sugsville, in Demopolis District; 1870, Summerfield Station.

In 1870, the conference lines were changed, Dr. Butt remaining with the Alabama Conference, and was returned to Summerfield for 1871; 1872-3, Lowndesboro Station; 1874-5, Presiding Elder Marianna District; 1876-7, Auburn Station; then for four years, Principal of the Greenville Collegiate Institute; 1880, Fort Deposit Circuit.

At the session of the Alabama Conference, fall of 1880, he was transferred to the North Alabama Conference, and served Columbiana Circuit 1881-2.

At the conference session, fall of 1882, he was transferred to the Arkansas Conference and appointed Presiding Elder of Morrilton District; 1884-5, Presiding Elder Fort Smith District; 1886, Fayetteville Station; 1887-9, he held the supernumerary relation.

In the fall of 1889, he was transferred to the North Alabama Conference, and served Fayetteville Circuit in 1890; 1891-4, he was Presiding Elder of Gunterville District; 1895-6, Fort Payne and Valley Head; 1897, Ashville Circuit; 1898, Springville and Trussville; 1899, Hartselle Circuit. At the conference session, in Birmingham, fall of 1899, he was granted the superannuate relation, which he held till his death.

Dr. Butt was a scholarly, polished gentleman, and a strong, forceful preacher of the gospel of Jesus Christ. He loved his brethren and his Conference. The writer was intimately associated with him two years, as my Presiding Elder and was very closely drawn to him on account of his manly qualities and superior Christian character. He was very helpful to his preachers.

He loved very tenderly his own family, and did what he could to render them comfortable and happy. He loved God and the church supremely; and it was his chief delight to do his Master's will. He delighted in reading and studying God's holy word. When death came, he had just finished reading a chapter in his Bible, which was found folded on his breast. He was in the sixty-fifth year of the Methodist ministry, when God, about midday, on Sunday, February 15, 1920, said: "It is enough, come up higher." He died at the home of his daughter, Mrs. W. B. Tate, Childersburg, Ala.

The following day, at the crowded Methodist Church, tender and loving tributes were paid by Rev. W. F. Price, Dr. E. M. Glenn, Rev. W. L. Thompson, and the writer. His body was then laid to rest in the town in which he died, to await the resurrection of the just.

"The voice at mid-day came,
He started up to hear;
A mortal arrow pierced his frame;
He fell, but felt no fear.

"Tranquil amid alarms,
It found him on the field,
A veteran slumbering on his arms,
Beneath his red-cross shield."

—J. W. NORTON.

REV. THOMAS K. TIERCE.

Was born in Tuscaloosa County, Ala., March 26, 1853, and died in Birmingham, July 10, 1920.

At the age of 13 he was converted, and in his childhood began the life of Christian devotion which was kept to the end. During the summer of 1879 he was licensed to preach, joined the North Alabama Conference in the fall of the same year: his first appointment being junior preacher on Carrollton Circuit, with W. M. P. Rippey in charge. Through many years he did his full share of hard work in the developing, formative period of his conference. He was a sympathetic and sensible preacher, a faithful and acceptable preacher, and his ministry was efficient and constructive. His work abides.

In 1897, he was called to the agency of the college which the North Alabama Conference had determined to found at Owenton; and into that work he put himself with enthusiastic devotion, pioneering the way for others to follow.

Because of increasing deafness, Brother Tierce felt that he was handicapped so as to render more and more difficult his ideal service in the pastorate, and therefore reluctantly relinquished membership in the conference. But his zeal for the Lord's cause suffered no abatement; he never lost his passion for the work of the ministry: and as a local preacher, he was always ready to render any service possible and to embrace every opportunity for preaching the gospel. His heart kept true to the genius of our institutions, and he was ever alert to serve the church of his choice.

After his location, he kept in close touch with the work of the church in its various details and served faithfully as a steward. With respect to his fidelity and efficiency herein, his fellow officials bear this testimony: "Never was a nobler man with a church, and no church ever had a better chairman of their board of stewards."

Brother Tierce was a fore-handed man in the finest sense of that term: good judgment, coupled with industry, economy and frugality, brought him good measure of material prosperity. But he was not stingy, and never became sordid: as riches increased, he did not set his heart upon them. While careful of his resources, he was liberal in handling his property: he was a good giver, charitable, open-handed, generous. His heart was big, his impulses noble, his hands full of good deeds.

Brother Tierce was a fine type of Christian American manhood—he understood and appreciated life's relations and obligations; and these he assayed to meet honestly, courageously, fearlessly, and with a public spirit which lends luster and adornment to good citizenship. Before reaching his three-score and ten, his sun went down: but as his years were, they were full of the honor and blessedness of good and generous deeds. He lived well, and his works do follow him.

Feb. 14, 1884, he was happily married to Miss Marietta Gregory, at Romulus, Ala.; she and her two daughters, Mrs. Rochester and Miss Katie, survive him.
